Dear colleagues,

we are glad to invite you to take part in the 1st All-Ukrainian scientific and practical conference "Public Management and Administration in Ukraine: European Integration Progress" with international participation.

The conference will be held on May 31, 2024 in a hybrid format.

Thematic areas of the conference:

- Section 1** Political, legal and organizational aspects of reforming public administration and management in Ukraine
- Section 2** Organization of activities of public administration and management bodies under the legal regime of martial law in Ukraine

- Section 3** Mechanisms of professional development of public administration and management: national and European experience
- Section 4** Ways of adapting the activities of public authorities to the standards of the European Union
- Section 5** Development of communicative competence of public servants

The working languages of the conference are Ukrainian and English.

We welcome scientists, teachers, civil servants, local government officials, politicians, doctoral students, and students of Public Management and Administration to participate in the conference.

The conference abstracts will be published in an electronic book of abstracts after the conference. The Conference Program and book of conference abstracts will be posted on the official websites of the Vernadskyi National Library of Ukraine and Ivano-Frankivsk National Technical University of Oil and Gas.

**Participation in the conference is free of charge.
All participants will receive a certificate of participation.**

Abstract Guidelines
